

Bay Area's Bipartisan Infrastructure Law Regional Priority Projects

-  Existing Rail
-  Transit Project
-  Intercity Rail Project
-  Joint Transit and Intercity Rail Project
-  Rail Safety Project
-  Highway & Interstate
-  Bridge Project
-  Highway Project
-  Port Project
-  Multimodal Project

MTC will periodically revisit this priority list over the five year BIL funding period, as federal grant guidelines are refined and as project funding plans evolve, including results from current and future state and federal grant cycles.

* Endorsement is pending verification of Federal Transit Administration's approval of project's entrance into the Capital Investment Grant (CIG) Project Development phase.
