

SFMTA

AB 413 Daylighting Implementation

July 10, 2025

MTC Vision Zero Working Group

Improving Visibility

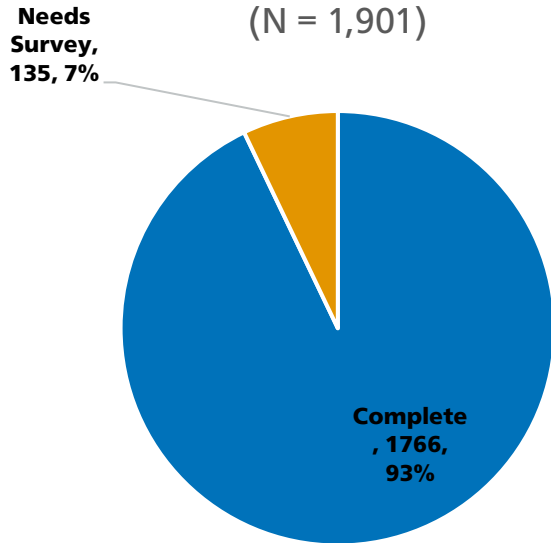

Implementation

- Daylighting the whole city by Fall 2026
- 25,000 daylighting zones
- Improving Processes
 - Memo to paint crews
 - Leans on shop expertise
 - Eliminates need for individual work orders
- Phased Approach
 - High Injury Network
 - Schools
 - Citywide

Phase 2 progress

School Daylighting 6/23/2025
(N = 1,901)

School Daylighting

Project Kick-Off, March 17, 2025

Lessons so far

- Uniform 20' of daylighting
- Legislation still needed for metered spaces
- No significant opposition to state law
- Activating pedestrian safety zones (PSZs) pending
- Next up: citywide!
