Connect Bay Area Transit Committee  
Attention: Ms. Lian Chang; Ms. Emily Loper

RE: **Certification for the initiative measure entitled "Connect Bay Area Transit Initiative"**

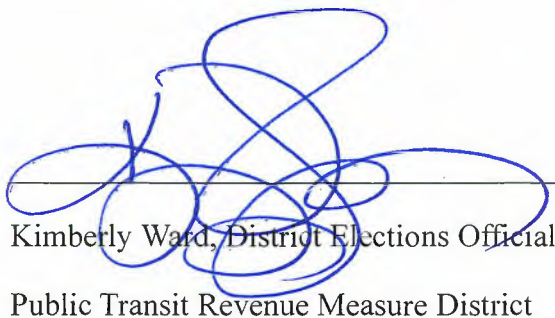

Dear Ms. Chang and Ms. Loper:

The Public Transit Revenue Measure District ("District") has completed its review of the above-named petition.

After review, it was determined that the petition contained an estimated value of **241,964** valid signatures of qualified registered voters in the District. The value was based on the random sample signature verification technique used by the registrar of voters for each county within the District (Alameda, Contra Costa, San Mateo, and Santa Clara, and the City and County of San Francisco), as set forth in Elections Code Section 9309, subdivision (a). Because **241,964** valid signatures exceeds the 110% threshold of **205,831** required to qualify the Initiative Measure, as set forth in Elections Code Section 9309, subdivision (b), and Elections Code Section 9310, subdivision (a), **the petition was found to be sufficient.**

Pursuant to Elections Code Section 9309, subdivision (d), I hereby notify you that the **Connect Bay Area Transit Initiative** petition is sufficient.

Respectfully,

Kimberly Ward, District Elections Official  
Public Transit Revenue Measure District
